Dr. Richard Phelps wrote to the Board requesting an extension to acquire four more hours of continuing education for the 2006-2007 renewal cycle. Ms. Burch motioned that a 90-day extension beginning 01/13/06 and ending 03/13/06 be given. Dr. Babcock seconded the motion. All were in favor.

Michelle Wigger, a student at University of Louisville currently taking prerequisites classes and applying to the Dental Hygiene program, wrote to the Board asking for consideration for a dental hygiene license once she has completed the

program. She has a past indiscretion of an apparent criminal nature not otherwise described and is concerned that this will keep her from being able to practice dental hygiene in Kentucky. After discussion of the Board regarding this matter, it was the decision of the Board that once she has completed the program, then she will need to file an application for licensure to be presented to the full Board for consideration of licensure and full inquiry and determination at that time as to whether or not she meets the requirements for licensure.

At 5:30 p.m., Dr. Narramore motioned that the meeting be adjourned. Dr. Babcock seconded the motion. All were in favor.

Next Board meeting is Friday, March 10, 2006 at 1:00 p.m. at the Board office.
